

**Church of St. Mary of the Lake
Volunteer Ministry Description
Spring 2005**

Position Title: **BRASS CLEANER**

Responsible to: The Parish, through the Sacraments and Worship Committee

Purpose of Position:

- The door handles of the Church building are brass and oxidize easily. We need people to polish them on a regular basis so the church looks well kept.
- A family can do this position with older children, or any adult/s who like to clean and shine.

Responsibilities:

- Polish the door handles in Church: outside doors, and inside doors.
- Secure a good polishing compound that does not damage the wood of the doors when polishing the handles.

Qualifications:

- Able to scrub with your hands
- Available at times when the church is not being used.
- Youth of middle school or older, could do this along with parents, or other youth, if accompanied by an adult.

Time Requirement:

- No specific time, other than to keep them looking shiny, especially for the major Holy Days when we want the Church to be “spruced up.”
- If done on a rotation basis, could be as little as a few hours a month.

Location:

- Church: outside doors and inside doors all around the gathering space.
