

Here at St. Mary's, we believe in lifelong catechesis. Sometimes everyday life gets in the way of finding our true path to God. In the following pages you will find several opportunities for all ages in which to participate to help your faith-building process. Read it thoroughly, then call one of the staff members listed below to begin your journey.

Faith Formation staff will be available to answer your questions at all the Masses on Sept. 19/20 and at the Orientation on Sept. 23, 2009
