WORKCAMP 2012 STOCK PROGRAM

WHAT IS *GROUP* WORKCAMP?

Group is a national, ecumenical youth ministry organization. *Group* Workcamp is just one small part of the whole organization. Workcamps are mission experiences designed for senior high youth groups. For one week, we will work repairing, painting, and weatherizing homes. Evenings are open for free time, small group prayer meetings, and large group activities. We will be housed at a local high school, sleeping in classrooms, eating in the cafeteria, and showering in locker rooms. Our group of fifty plus youth, young adults, and adult leaders will arrive in Valdosta, Georgia on Sunday, June 24 and join with 400 Christian youth from around the country. Through our service and community living this experience will change our lives, along with the poor and elderly whom we are serving. Through our caring, we will come to a new understanding of Christ's love for all people.

HOW CAN YOU HELP?

In order to participate in Workcamp, our group must raise over \$50,000 to cover the costs of bus transportation, housing, meals, tools, and building materials. Because of the high cost of this trip, we are asking you to sponsor a young person by purchasing stock in our trip. Depending on your level of generosity you will earn different "dividends." You will have the opportunity to accept or decline them.

\$5-\$49: You will receive a postcard from a Workcamper while on the trip.

\$50-\$99: You will receive the above and be invited to a dinner served by the Workcampers where they will share stories and pictures from the mission trip.

\$100-\$149: You will receive the above and a free poinsettia in late November.

\$150+: You will receive the above and a free Easter Lily in the spring and \$3 towards baked goods at our January Bake Sale.

All funds directly benefit our Workcampers and their trip. All donations are appreciated!
