SUPPLY LISTS

Phy Ed

Elementary and Middle School

1 pair of tennis shoes (kept at school for PE)*

Middle School Only

Middle School students need to change out of their school uniform for PE classes. Shorts or sweatpants with an appropriate t-shirt is needed. In the fall and early spring, it can be chilly outside. A sweatshirt, other than the school uniform one, is needed. There will be time to change before and after class. Stick deodorant is recommended.

*Please make sure your child is wearing appropriate shoes for physical education class. Shoes should be:

Tied or Velcro, Non-marking

NO zippers or slip-ons - zippers can scratch someone or pop a ball, plus when the students are running they do loosen up and fall off.

Students need to wear tight-fitting shoes that they can tie. Many popular type shoes have loose fitting laces, usually more than one, and this does create performance and safety issues.
